ANZAC Ceremony

On behalf of the Chelsea Heights School Community I would like to formally recognise and thank our wonderful teaching staff for the deeply moving ANZAC Ceremony that took place at our school last Friday. Led by Lindy Powell and Lauren Heazlewood, our Performing Arts teachers, all staff pulled together and provided our students and their families with the opportunity to participate in a ceremony that was both real and accessible to their individual level of understanding. Mrs Powell’s foresight in applying for the Gallipoli Oaks Project two years ago, made the 100 year celebration of the ANZACs extremely special for our school and has afforded us with a tangible memory of their sacrifices for our country. Mrs Heazlewood’s work with the Level 6 students and the resulting reading and dramatisation of some extremely powerful poems was unique and deeply moving. Thank you to all who participated. Our school makes me extremely proud and as always – a little bit teary!!

I have had many, many parents approach me in the last few days to comment on how much this ceremony meant to them and I have taken the liberty of publishing the letter sent by our School Council President, Phil Kimberlee to our staff.

Hi All,

I just wanted to pass on my personal thanks to all staff for an excellent assembly on Friday. A special mention to Ms Powell & Ms Hazelwood for the organisation & running of the assembly. The Grade 6 speaking & acting was superb, a great idea to bring home the personal stories of the war. All the children were so well behaved & appeared to understand the solemnity of the occasion. They were a credit to all the teachers & staff. I was very proud to be a member of the Chelsea Heights PS Community. Thank you once again.

Phil Kimberlee
Chelsea Heights Primary School Council President

Bunnings BBQ
A huge thank you to all of the parents and staff who donated their time to our Bunnings Sausage Sizzle last Sunday. Your support is much appreciated. I know that Sunday was a day when I would have preferred to have been curled up in front of the TV at home! Well done to Cassie Ellingsen, Michelle Marshall and the Parents and Friends Association for yet another successful fundraising event which draws on the wider community for donations rather than our parent community.

Goodstart Kindergarten Information Evening
Last Thursday evening, Mr Aldred and I had the opportunity to speak with the parents at the Goodstart Kinder in Springvale Rd, Aspendale Gardens about our wonderful school. The response of the groups was extremely positive with many tours and information packs being requested from those in attendance.

I would like to formally thank Mr Aldred for supporting me and our school by attending this presentation evening. It was a great opportunity for prospective parents to meet the Foundation Sub School leader and to clarify any questions they had relating to teaching and learning.

NAPLAN
NAPLAN is nearly upon us. Students from Level 3 and Level 5 will participate in Literacy and Numeracy Assessments on the 12th, 13th and 14th of May. Letters have gone home to the parents of these students but if you have any questions or concerns please contact your child’s classroom teacher.

Working Bee 24th May
A reminder to all of our families; our next Working Bee is on Sunday the 24th of May. If you nominated this date to support our school by attending, you will be receiving a letter from the Buildings and Grounds Sub Committee outlining the projects for the day very soon.

I look forward to seeing you there.
Assistant Principal Report

We at Chelsea Heights Primary School utilise the Programme ‘Play is the Way’ which incorporates many aspects of personal development based around self regulation, resilience and respect. The language used in the programme is self empowering when used properly and consistently.

The programme was developed by Wilson McCaskill and his wife Julie. They travel Australia demonstrating and teaching the programme. You can find more information on Play Is The Way on our website.

**Wilson McCaskill’s ‘TEN TIPS FOR PARENTS’**

- Accept your importance as a role model and make every effort to be the best role model you can be. Recognise that this may call for personal change and improvement.

- Trusting that your children love you, allows you to do the “parent things” that may sometimes make them dislike you for a while.

- Try to always be the adult you claim to be and have the emotional self-control to offer firm guidance, support and moral leadership. Sympathize with them but try not to solve their problems for them.

- Separate your needs from those of your children. They can’t live your dreams.

- Try to always use reason not rage. Avoid fighting fire with fire. Be in control of your feelings and your actions so that your children can learn to be in control of theirs.

- Show faith in your school. Prepare your children to work hard so that teachers can help them to learn well. Establish rights, rules, responsibilities and routines in your household and let every child do their bit. Give them jobs, healthy meals, the time to talk and the sleep they need.

- Turn the TV off when you can and turn the conversation on where possible.

- Remember: loving them is easy, it’s rearing them that’s hard but it does get easier with practise.

- Role model good manners at all times and ask for them in return. Good manners often diffuses conflict situations.

- By acknowledging small improvements in behaviour you make it easier for big improvements to follow.

- Try to avoid thinking that you can save your children from getting hurt (emotionally or physically).

**Instead, prepare them to cope.**
**Sunsmart Policy**

Our Sunsmart Policy states that sun protection measures should be used at school from:

*September to the end of April  OR  when the UV level is 3 or above.*

So from Friday 1st May, hats and sunscreen are now only required if the UV level is 3 or above—check this using the UV Alert on the home page of our website!

**Tissue Boxes and Cereal Boxes**

The Art Room is in need of empty tissue boxes and cereal boxes.

**Lost Property**

As the year progresses and the seasons change, our collection of lost property is continuing to grow. Can you please ensure that all clothing, hats, drink bottles and sports equipment etc. are clearly labelled with your child’s name. That way it can be easily identified in lost property.

**Chelsea Kindergarten Open Day**

Chelsea Kindergarten welcomes all past students and families to visit the kinder this Saturday, 2nd May to celebrate our 50th Anniversary and Open day between 10.30 – 1.00 pm. The Mayor and Member for Mordialloc will attend to unveil a commemorative plaque to mark the occasion.

Together we learn.
**Lunchtime Reading**

The library will be open for the first half of lunch on Fridays.

There will be 3 stations:

**Paired Reading**
For students who are not reading at home or require additional practice. Students will be paired up and read to each other.

**Individual Reading**
For students who want some quiet time. They can either come with a book or pick one from the library.

**Borrowing**
Individual students who missed their library day are welcome to change their books at this time.

**Yarn Art Storybook**

The Yarn Art Storybook trail is on again for October 2015! We are currently finalising the Children’s Book that will be featured this year and will be announcing the book at Assembly in the very near future!

There is a lot of work to do before we install the finished project on the school fence - last year we had a wonderful team of adult volunteers helping us at our Lunchtime Club and we are again asking for help from anyone who can spare some time either during these lunchtime events or crafting at home!

You don’t have to be an experienced crocheter or knitter! We will be including many simple crafts such as pom-pom making, weaving and stitching that can be done by all ages!

This year, our Lunchtime Club will be held on Tuesdays in the library from 1.30pm to 2.30pm, to register your availability, or let us know if you would like to help out in another way, please email Jane Fitchett at craftymatters@iprimus.com.au

You can also go to our OPAC website for more details and updates as they happen!

Welcome Back Everyone

I hope you all had a restful and happy school holidays.

My apologies for missing last month’s newsletter due to illness.

**Reminder Dates:**

**Monday 8th June 2015 – Queens Birthday Public Holiday – No Service**

We started the term off celebrating Greek Easter. The children had the cultural experience of dying boiled eggs red with leadership of Zoe. The best part was the smashing of the eggs. Chevelle was our winner with no cracks. She is traditionally wished lots of luck and good wishes for the year ahead. “KALO PASCHA”

The children have been busy learning about the ANZACs and showing their respects by making poppies, a poppy wreath, Anzac biscuits and their own medals.

We have also been busy making a puppet theatre for our new Buddy Bear puppet. The children have enjoyed decorating their own pre-made puppets. They are now busy preparing their own scripts for a Buddy bear puppet show. It’s very exciting to see them working together as a team. They will continue to take Buddy Bear home and share the experience with their OSHC peers on how they are a great buddy.

Mother’s Day Gifts are now being made for all those special mothers or special lady role models. The children are very excited to be keeping their gifts a secret. I hope you all have a lovely day and enjoy being spoiled.

As you know we were busy last term collecting and swapping the Woolworths dominoes. Thank you to all those children who kindly brought dominoes in to swap and share. We do have a small collection to play with and the children had fun experimenting with them.

**A Big Special Thank You to the following families:**

A big THANK YOU to Chevelle for spare clothes & big collection of dominoes.

A big THANK YOU to The Walsh Family for their collection of dominoes for us to play with. It is greatly appreciated by all.

Have great month and remember to look after yourselves and each other.

Thank You

Mandie Murray

This term in the library you will see lots of awesome things happening. We have started off with getting in lots of new books including some ANZAC books filled with loads of interesting stories and facts on World War I. My feature book this month is “The Fallen” by Margaret Diggerson. It is a book about those who served in World War I from Chelsea and Carrum area. Ms Diggerson works with the Chelsea and District Historical Society and discovered that 59 soldiers from Chelsea and surrounding areas died without their stories being told.

We have new shelves in the library to help with storing the big books. Thank you all for being so patient with me in sharing the tables with the big books!

Something else that is happening which is very exciting, is my new hair-do.... what is that you ask? Well, I am doing some fundraising at the moment for a very special friend of mine who is not well. Some of you may know Sharon as she is a mum from our school. I have decided to join in the fun at Chelsea Longbeach Lifesaving Club and, if I can raise $50, I am colouring my hair purple - the colour for Hodgkin’s. If I raise $500 I will be brave and shave!!! If you would like to come and watch me do this you are welcome. If you cannot make it, I will have a donation tin in the library and will happily accept any donation. All money raised is going to Sharon and her family to assist them with rising medical costs. For all donations great and small, there is a donation tin in the library and also in the office, or you can simply donate by the following link: [https://www.mycause.com.au/page/92953/shaveforshaz](https://www.mycause.com.au/page/92953/shaveforshaz)

School Fundraising via Aces Sporting Club

Aces Sporting Club in Keysborough plan on holding a Trash and Treasure as a community service on the last Sunday of every month. The cost will be $25 per space. They are planning on running this as a “not for profit” event and as such will be donating the space hire fee directly back to the school that refers the stall holder. This is an opportunity for our school to get a little more money for very little effort. Please ensure you mention Chelsea Heights PS when contacting the venue for a stall, so they know who to send the stall holder fees to.
