PERMISSION FORMS NOW ON QKR!

Are you sick of signing permission forms? At CHPS, we are moving away from paper forms.....
When paying using the Qkr! app, you can now **sign the permission form using your phone or tablet**.
When you add this excursion to your cart, you will be prompted for further information and then
asked to sign your name on the screen. After signing, don’t press Back – press the symbol at the top,
right of your screen to continue. The information you enter is converted into an electronic form and
can be viewed by the office staff. Please call the office staff if you have any difficulties.
